Product	Lift-up support rail, with floor support
Length	725 mm
Fixing height	800 mm
Diameter	34 mm
Material	polyamide
Surface	high gloss
Colour	available in nylon colours
Version	left and right
Loading	max. 100 kgs

Technical drawing

Product description

- Nylon Care - a well-tried and proven product family with a wide range of variants, three product series suiting many different requirements
- with adjustable brake
- with durable maintenance-free, friction bearings
- with non-corrosive steel core throughout
- floor support with non-slip floor contact
- with steel reinforced mounting plate for three-point fixing and Nylon cover
- Floor support serves as a support in case of insufficient wall condition, thus the resulting forces on the wall fixing can be reduced
- concealed screw fixing
- In case of lightweight partition walls a backfill made of min. 20mm hardwood is needed
- certified by TÜV PRODUCT SERVICE
- produced in accordance with Regulation (EU) 2017/745 on medical devices
- CE-certified
- meets the requirements of German standard DIN 18040 and Austrian standard ÖNORM B 1600
- Fixing set has to be determined according to conditions on site, is to be ordered separately
