Technical drawing

Product description

- Nylon Care - a well-trying and proven product family with a wide range of variants, three product series suiting many different requirements
- Pad with non-corrosive steel core throughout
- steel reinforced hinges
- with adjustable brake
- locked in place in vertical position
- Floor support with adjustable non-slip floor contact
- Floor support serves as a support in case of insufficient wall condition, thus the resulting forces on the wall fixing can be reduced
- concealed screw fixing
- In case of lightweight partition walls a backfill made of min. 20mm hardwood is needed
- Fixing set has to be determined according to conditions on site, is to be ordered separately
